

CURRICULUM VITAE

SURNAME : OKAMURA
OTHER NAME : Hajime
DATE OF BIRTH : 18 September 1938
PLACE OF BIRTH : KOCHI CITY
NATIONALITY : JAPAN
E-mail : okamura.hajime@kochi-tech.ac.jp

Education

Apr.1957-Mar.1966 The University of Tokyo
1957-1961 Faculty of Engineering, Department of Civil Engineering, Graduated with Civil Engineering
1961-1963 Master Student of Concrete Laboratory, Department of Civil Engineering
1963-1966 Doctoral Student of Concrete Laboratory, Department of Civil Engineering, Graduated with Civil Engineering

Working Experience

Apr.1966: Full-time lecturer of the University of Tokyo (Dept. of Civil Eng.)
Aug.1966-Mar.1968: Researcher of University of Texas (U.S.A.)
Apr.1968: Associate professor of the University of Tokyo (Dept. of Civil Eng.)
Mar.1969-Dec.1969: Assistant to the President of the University of Tokyo
Apr.1977-Mar.1978: Visiting Professor of University of Leeds (U.K.)
Jun.1982: Professor of the University of Tokyo (Dept. of Civil Eng.)
Sep.1988-Dec.1988: Visiting Professor of University of Washington (U.S.A.)
Jul.1989-Aug.1989: Visiting Professor of Asian Institute of Technology (Thailand)
Apr.1992-Mar.1998: Trustee of the University of Tokyo
Apr.1996-Mar.1998: Dean of Faculty of Engineering at the University of Tokyo
Apr.1999-Mar.2001: Vice President of Kochi University of Technology
May.1999: Emeritus Professor of the University of Tokyo
Apr.2001-Mar.2008: President of Kochi University of Technology
Nov.2008: Emeritus Professor of Kochi University of Technology
Apr.2009-Mar.2015: Chair of Kochi University of Technology

Activities

- 1) Front man of Japan, US-Japan Seminar (Japan Society for the promotion of Science) (1985)
- 2) Presentation as a Ferguson Lecture at ACI Fall Convention (New Orleans) (1996, Nov.)
- 3) President of Japan Society of Civil Engineers (1999-2000)
- 4) Chair of EASEC (East Asia-Pacific Conference on Structural Engineering & Construction)

Awards

- 1) Fellow Member of ACI (1986)
- 2) ACI Outstanding Contribution in the Area of Concrete Technology in Japan (1991)
- 3) Fellow Member of JSCE (1994)
- 4) CANMET/ACI AWARD for Outstanding contributions in the development of SELF COMPACTABLE HIGH PERFORMANCE CONCRETE (1995)
- 5) Fellow Member of IABSE (2000)
- 6) Medal with Purple Ribbon (Government of Japan) (2001)
- 7) Fellow Member of Fib (2001)
- 8) IABSE ANTON TEDESKO MEDAL (2002)
- 9) Swedish Concrete Award (2003)
- 10) Honor Member of JSCE (2004)
- 11) Honor Member of Chinese Institute of Hydraulic Engineering (2004)
- 12) Honor Member of American Concrete Institute (2005)
- 13) Achievement Award of JSCE (2007)

Publishes

- 1) Nonlinear Analysis and Constitutive Models of Reinforced Concrete (Gihodoh Shuppan) (1991)
- 2) High Performance Concrete (Gihodoh Shuppan) (1993)
- 3) Self-Compacting High Performance Concrete (Comse Engineering) (1999)
- 4) NONLINEAR MECHANICS OF REINFORCED CONCRETE (Spon Press(UK)) (2003)
