

# LI WEI-SEN

Secretary General, NATIONAL SCIENCE AND TECHNOLOGY CENTER FOR DISASTER REDUCTION, Taiwan

Adjunct Associate Professor of Department of Hydraulic and Ocean Engineering, NATIONAL CHENG KUNG UNIVERSITY, Taiwan

Adjunct Assistant Professor of Department of Civil Engineering, NATIONAL CENTRAL UNIVERSITY, Taiwan

Dr. Li holds a PhD in Civil Engineering from National Central University, where he specializes in structure dynamics, seismic design and earthquake engineering. Currently, he leads international collaboration and conducts research on large-scale urban disasters and disaster risk management in NCDR. Dr. Li have been involved in APEC Emergency reparedness Working Group (EPWG) as Co-chair and is a member of IRDR Scientific Committee. He has a wealth of experience in the development and implementation of

disaster risk reduction and management systems. His responsibilities include building capacity in the region through engaging public-private partnership to better mitigate and respond to emergencies and natural disasters in APEC economies.
